#### NIE Finance PLC STRATEGIC REPORT

The directors present their Strategic Report for the year ended 31 December 2017.

#### **Business Overview**

#### Principal activities and future developments

The Company's principal activity is to raise finance on behalf of its parent company Northern Ireland Electricity Networks Limited (NIE Networks). In June 2011 the Company issued £400m 6.375% Guaranteed Notes due in 2026 (the Bond) on behalf of NIE Networks (the Guarantor). The payments of all amounts in respect of the Bond are unconditionally and irrevocably guaranteed by the Guarantor. The Company has granted a back-to-back loan of £400m to the Guarantor. The directors anticipate that the activity of the Company will continue for the foreseeable future.

At 31 December 2017, NIE Networks' debt financing comprised the £400m back-to-back loan with the Company, a £175m Bond and a £150m Revolving Credit Facility (RCF) from NIE Networks' ultimate parent, the Electricity Supply Board (ESB). The £175m Bond and the £150m RCF are due for maturity in September 2018. NIE Networks is currently assessing options to replace the maturing facilities in conjunction with ESB, including the option of raising finance though the Company during 2018.

#### **Financial review**

The results for the year ended 31 December 2017 show a profit of £nil (2016 - £nil).

The Company issued a 15 year £400m bond which carries interest at a coupon of 6.375%. The Bond, which matures on 2 June 2026, has been admitted to the Official List of the UK Listing Authority and to trading on the London Stock Exchange's regulated market. Interest is paid on the Bond, and earned on the loan to the Guarantor, at a fixed rate of 6.375%.

#### **Risk Management and Principal Risks and Uncertainties**

The Company is committed to successfully managing exposure to risk and to minimising the impact of risk on the achievement of business objectives. The directors acknowledge that they have responsibility for the Company's systems of internal control and risk management.

NIE Networks' risk management framework incorporates the Company and comprises:

- appropriate structures in place to support risk management;
- formal assignment of risk responsibilities to facilitate managing/reporting on individual risks and to ensure specific risks are understood;
- procedures and systems for risk identification, assessment and reporting; and
- on-going monitoring of the effectiveness of risk mitigation actions and controls.

The principal risks and uncertainties that affect the Company are described below.

#### Capital management and liquidity risk

The Company is financed through debt finance and interest receivable on the loan issued to the Guarantor. The Company's debt finance at 31 December 2017 comprised the Bond which is repayable on 2 June 2026.

The main source of liquidity for the Company is interest receivable on the loan to the Guarantor. The Company has assessed the liquidity and credit risk of the Guarantor and deems this risk to be low. The Guarantor's Annual Report and Accounts at 31 December 2017 indicate that the Guarantor has a cash surplus of £11.2m (2016 - £9.3m) and net assets totalling £326.9m (2016 - £293.4m).

The directors review the Company's capital structure on an annual basis to ensure that the Company will be able to continue as a going concern through optimisation of the debt and equity balance. The Company manages liquidity risk by continuously monitoring forecasts and funding requirements and matching the maturity profiles of financial assets and liabilities.

#### NIE Finance PLC STRATEGIC REPORT

#### Interest rate risk

The Bond is denominated in Sterling and carries a fixed interest rate of 6.375%. The interest rate charged on the loan to the Guarantor is also fixed at 6.375%. Therefore, the Company has no interest rate risk and holds no derivative financial instruments in respect of interest rates.

#### **Currency risk**

The assets and liabilities of the Company are denominated in Sterling and are therefore not exposed to foreign currency risk.

#### Credit risk

The Company's principal financial assets are the loan to the Guarantor and the associated interest receivable outlined in note 6 to the accounts. The credit risk in respect of financial assets is considered by the directors to be low given that the Company's financial assets relate to amounts owed by the Guarantor. As noted in the Capital management and liquidity risk section on page 3, this assessment is made based on the cash surplus and net assets of the Guarantor at 31 December 2017.

The Company may be exposed to credit-related loss in the event of non-performance by bank counterparties who hold cash deposits from time to time. This risk is managed through conducting business only with approved counterparties which meet the criteria outlined in NIE Networks' treasury policy.

#### Going concern

The Company's business activities, together with the principal risks and uncertainties likely to affect its future performance, are described above. As noted above, the Company is financed through a combination of debt finance and interest receivable.

In assessing going concern, the directors have also considered the financial resources of NIE Networks for a 12 month period from the date of approval of the accounts. NIE Networks is deemed to have sufficient resources in order for it to meet its obligations under the terms of its loan with the Company.

On the basis of their assessment of the Company's financial position, which included a review of the Company's projected funding requirements and the cash flow forecasts of NIE Networks, for a period of 12 months from the date of approval of the accounts, the directors have a reasonable expectation that the Company will have adequate financial resources for the 12 month period from the date of approval of the accounts and accordingly adopt the going concern basis in preparing the annual report and accounts.

By order of the Board

Nicholas Tarrant Director

Date: 22 March 2018

Registered Office: 120 Malone Road Belfast BT9 5HT

Company Number: NI607246

# NIE Finance PLC DIRECTORS' REPORT

The directors present their Directors' Report for the year ended 31 December 2017.

In the Directors' Report and accounts, unless specified otherwise, the 'Company' refers to NIE Finance PLC, a public limited company registered in Northern Ireland with registered number NI607246.

The immediate parent undertaking of the Company and the parent of the smallest group for which group accounts are prepared is Northern Ireland Electricity Networks Limited (NIE Networks or the Guarantor). The ultimate parent undertaking and controlling party of the Company, and the parent of the largest group of which the Company is a member and for which group accounts are prepared, is Electricity Supply Board (ESB). A copy of ESB's accounts is available from ESB's registered office at Two Gateway, East Wall Road, Dublin 3, DO3 A995.

The audited accounts presented are for the year ended 31 December 2017 with the comparative year end being 31 December 2016.

#### **Results and Dividends**

The results for the year ended 31 December 2017 show a profit of £nil (2016 - £nil). The Company did not pay any dividends during the year (2016 - £nil) and no dividend in respect of the year has been proposed. The business and financial review together with future business developments is provided in the Strategic Report.

#### **Corporate Governance**

#### Internal control and risk management in relation to the financial reporting process

Strong financial controls are necessary to ensure the integrity and reliability of financial and other information on which the Company relies for day-to-day operations, external reporting and for longer term planning. The Company exercises financial control through a combination of: appropriately qualified and experienced personnel; rigorous business planning processes; an integrated accounting system; and clearly defined approval limits. The internal auditors test the effectiveness of financial controls. The external auditors provide advice on specific accounting and permitted tax issues.

The remit of NIE Networks' Audit & Risk Committee includes the Company. The Audit & Risk Committee reviews:

- the effectiveness of the Company's internal controls and the risk management system;
- the Company's accounts considering the appropriateness of the accounting policies, whether the
  accounts give a true and fair view, the appropriateness of the going concern assumption and
  reviewing the significant issues and judgements;
- the external auditors' plan for the scope of the audit of the statutory accounts;
- reports from the external auditor on its audit of the Company's accounts and the recommendations made by the auditor and management's response; and
- a report on the effectiveness and independence of the external auditors.

#### **Directors**

There were no changes to the Board of directors during the year. Eddie Byrne, Peter Ewing and Nicholas Tarrant were directors throughout the year and up to the date of signing.

#### **Directors' Insurance**

Insurance in respect of directors' and officers' liability is maintained by the Company's ultimate parent, FSB

#### Disclosure of Information to the Auditors

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information, being information needed by the auditors in connection with preparing their report, of which the auditors are unaware. Having made enquiries of fellow directors and the Company's auditors, each director has taken all the steps that he is obliged to take as a director in order to make himself aware of any relevant audit information and to establish that the auditors are aware of that information.

#### **Statutory Auditor**

PricewaterhouseCoopers LLP (PwC) were appointed as statutory auditor of the Company at the Company's annual general meeting in June 2017. PwC have indicated their willingness to continue in office and a resolution to reappoint PwC as statutory auditor and to authorise the directors to determine their remuneration will be proposed at the 2018 annual general meeting.

## **Financial Risk Management**

Details of the Company's objectives and policies for financial risk management (including liquidity risk and credit risk) are provided in the Risk Management and Principal Risks and Uncertainties section of the Strategic Report.

#### Statement of Directors' Responsibilities in Respect of the Financial Statements

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 101, have been followed for the Company financial statements, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006.

The directors are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

By order of the Board

# Report on the audit of the financial statements

#### **Opinion**

In our opinion, NIE Finance PLC's financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2017 and of its result for the
  year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual Report and Accounts (the "Annual Report"), which comprise: the Balance sheet as at 31 December 2017; the Income statement, the Statement of comprehensive income, the Statement of changes in equity for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

Our opinion is consistent with our reporting to the Audit & Risk Committee.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Independence

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, as applicable to listed public interest entities, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

To the best of our knowledge and belief, we declare that non-audit services prohibited by the FRC's Ethical Standard were not provided to the company.

We have provided no non-audit services to the company in the period from 1 January 2017 to 31 December 2017.

#### Our audit approach

#### Context

This was our first year of appointment to NIE Finance PLC.

#### Overview

Overall materiality: £4,133,900 based on 1% of total assets.

Each of the material financial statement line items were subject to audit.

We have no key audit matters to report.

#### INDEPENDENT AUDITORS' REPORT

#### To the members of NIE Finance PLC

#### The scope of our audit

As part of designing our audit, we determined materiality and assessed the risks of material misstatement in the financial statements. In particular, we looked at where the directors made subjective judgements, for example in respect of significant accounting estimates that involved making assumptions and considering future events that are inherently uncertain.

We gained an understanding of the legal and regulatory framework applicable to the company and the industry in which it operates, and considered the risk of acts by the company which were contrary to applicable laws and regulations, including fraud. We designed audit procedures to respond to the risk, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion. We focused on laws and regulations that could give rise to a material misstatement in the company's financial statements, including, but not limited to, the Companies Act 2006 and the Listing Rules. Our tests included, but were not limited to, review of the financial statement disclosures to underlying supporting documentation, review of correspondence with and reports to the regulators and enquiries of management. There are inherent limitations in the audit procedures described above and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it.

We did not identify any key audit matters relating to irregularities, including fraud. As in all of our audits we also addressed the risk of management override of internal controls, including testing journals and evaluating whether there was evidence of bias by the directors that represented a risk of material misstatement due to fraud.

#### Key audit matters

Key audit matters are those matters that, in the auditors' professional judgement, were of most significance in the audit of the financial statements of the current period and include the most significant assessed risks of material misstatement (whether or not due to fraud) identified by the auditors, including those which had the greatest effect on: the overall audit strategy; the allocation of resources in the audit; and directing the efforts of the engagement team. We determined that there were no key audit matters applicable to the company to communicate in our report.

#### How we tailored the audit scope

We tailored the scope of our audit to ensure that we performed enough work to be able to give an opinion on the financial statements as a whole, taking into account the structure of the company, the accounting processes and controls, and the industry in which it operates.

NIE Finance PLC is centrally structured with the sole purpose of finance to its parent company.

There is one reporting division which was subject to audit and financially significant.

There are a small number of material financial statement line items.

#### Materiality

The scope of our audit was influenced by our application of materiality. We set certain quantitative thresholds for materiality. These, together with qualitative considerations, helped us to determine the scope of our audit and the nature, timing and extent of our audit procedures on the individual financial statement line items and disclosures and in evaluating the effect of misstatements, both individually and in aggregate on the financial statements as a whole.

Based on our professional judgement, we determined materiality for the financial statements as a whole as follows:

Overall materiality	£4,133,900
How we determined it	1% of total assets.
Rationale for benchmark applied	We believe that total assets is the primary measure used by shareholders in assessing the performance of the entity, and is a generally accepted auditing benchmark.

We agreed with the Audit & Risk Committee that we would report to them misstatements identified during our audit above £132,500 as well as misstatements below that amount that, in our view, warranted reporting for qualitative reasons.

#### INDEPENDENT AUDITORS' REPORT

#### To the members of NIE Finance PLC

#### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which ISAs (UK) require us to report to you when:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may
  cast significant doubt about the company's ability to continue to adopt the going concern basis of
  accounting for a period of at least twelve months from the date when the financial statements are
  authorised for issue.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern.

#### Reporting on other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Strategic Report and Directors' Report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

#### Strategic Report and Directors' Report

In our opinion, based on the work undertaken in the course of the audit, the information given in the Strategic Report and Directors' Report for the year ended 31 December 2017 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Strategic Report and Directors' Report.

#### Responsibilities for the financial statements and the audit

#### Responsibilities of the directors for the financial statements

As explained more fully in the Statement of Directors' Responsibilities set out on page 7, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

## **INDEPENDENT AUDITORS' REPORT**

#### To the members of NIE Finance PLC

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

#### Use of this report

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

# Other required reporting

#### **Companies Act 2006 exception reporting**

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of directors' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

#### **Appointment**

Following the recommendation of the Audit & Risk Committee, we were appointed by the directors on 17 October 2017 to audit the financial statements for the year ended 31 December 2017 and subsequent financial periods. This is therefore our first year of uninterrupted engagement.

Kevin MacAllister (Senior Statutory Auditor) for and on behalf of PricewaterhouseCoopers LLP Chartered Accountants and Statutory Auditors Belfast 26 March 2018

#### 1. General Information

NIE Finance PLC is a public limited company, incorporated, domiciled and registered in Northern Ireland (registered number NI607246).

The Company is a wholly owned subsidiary of Northern Ireland Electricity Networks Limited (NIE Networks). The results of NIE Finance PLC are included in the consolidated accounts of the NIE Networks group (see note 11).

The principal accounting policies adopted by the Company are set out in note 2.

## 2. Accounting Policies

#### **Basis of preparation**

These accounts were prepared in accordance with Financial Reporting Standard 101 "Reduced Disclosure Framework" (FRS 101). The financial statements have been prepared under the historical cost convention and in accordance with the Companies Act 2006. The Company's accounts are presented in Sterling and all values are rounded to the nearest thousand pounds (£'000) except when otherwise indicated.

The Company has taken advantage of the following disclosure exemptions under FRS 101:

- a) the requirements of paragraphs 10(d), 10(f), 16, 38A, 38B, 38C, 38D, 40A, 40B, 40C, 40D, 111 and 134-136 of IAS 1 *Presentation of Financial Statements*, which are requirements relating to cash flows, comparative information, statement of compliance and the management of capital:
- b) the requirements of IAS 7 Statement of Cash Flows in preparing a cash flow statement for the Company;
- c) the requirements of paragraphs 30 and 31 of IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors relating to the disclosure of amendments to IFRS that are not vet effective; and
- d) the requirements of paragraphs 17 and 18A of IAS 24 Related Party Disclosures relating to the disclosure of key management personnel compensation.

The accounting policies applied in preparing the accounts for the year ended 31 December 2017 are set out below.

#### New and revised accounting standards and interpretations

No new standards, amendments or interpretations, effective for the first time for the financial year beginning on or after 1 January 2017, have had a material impact on the financial statements of the Company.

#### Going concern

The Company's business activities including financial risk management along with the factors likely to affect its future development are set out within the Strategic Report.

As described in the Strategic Report, on the basis of their assessment of the Company's financial position, which included a review of the Company's projected funding requirements and the cash flow forecasts of NIE Networks for a period of 12 months from the date of approval of the accounts, the directors have a reasonable expectation that the Company will have adequate financial resources for the 12 month period and accordingly continue to adopt the going concern basis in preparing the annual report and accounts.

#### **Financial instruments**

Cash at bank and in hand

Cash and short-term deposits in the balance sheet comprise cash at bank and in hand and short-term deposits with an original maturity date of three months or less.

## 2. Accounting Policies (continued)

#### Loan receivables

Loan receivables are initially recorded at fair value. After initial recognition, they are subsequently measured at amortised cost using the effective interest method.

#### Interest bearing loans

Interest bearing loans are initially recorded at fair value, being the proceeds received net of direct issue costs. After initial recognition, they are subsequently measured at amortised cost using the effective interest method.

#### **Borrowing costs**

Borrowing costs are reflected in the income statement in the period they occur. Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds.

# 3. Operating Costs

Fees payable to the Company's auditor for the audit of the Company's accounts totalled £3,000 (2016 - £3,000). These fees were paid for and borne by the Guarantor on behalf of the Company.

#### 4. Net Finance Costs

	2017	2016
	£'000	£'000
Finance income: Interest receivable on loan to immediate parent undertaking Amortisation of financing income	25,500 129	25,500 121
Total finance income	25,629	25,621
Finance costs: Interest payable on £400m bond Amortisation of financing charges	25,500 129	25,500 121
Total finance costs	25,629	25,621
Net finance costs	<u>-</u>	-

All of the Company's income and expenses, and assets and liabilities derive from its sole activity in the UK, being the provision of loan finance to NIE Networks.

#### 5. Employees and Directors

The Company has no employees. Due to the limited activities of the Company no remuneration has been paid to the directors by the Company.

#### 6. Financial Assets

Financial assets – non-current	2017 £'000	2016 £'000
Loan to immediate parent undertaking	398,529	398,400
Financial assets – current Interest receivable on loan to immediate parent undertaking	14,811	14,811

On 2 June 2011 the Company issued a loan of £400m to NIE Networks, the Company's immediate parent undertaking, net of £2.1m of costs associated with raising finance. The loan has a maturity date of 2 June 2026 and interest is earned at a fixed rate of 6.375%. The loan is neither past due nor impaired.

#### 7. Cash at Bank and in Hand

	2017 £'000	2016 £'000
Cash at bank and in hand	50	50

Cash at bank and in hand earns interest at floating rates based on daily bank deposit rates. The directors consider that the carrying amount of cash and cash equivalents equates to fair value.

#### 8. Financial Liabilities

The Company's objectives, policies and strategies in respect of financial liabilities and capital management are disclosed on pages 3-4 of the Strategic Report.

	2017 £'000	2016 £'000
Current Interest payable on £400m bond	14,811	14,811
Non-current £400m bond	398,529	398,400

On 2 June 2011, the Company issued a 15 year £400m bond which carries interest at a coupon of 6.375%. The payments of all amounts in respect of the Bond are unconditionally and irrevocably guaranteed by the Company's immediate parent company, NIE Networks. Interest is due annually in arrears on 2 June.

#### 9. Financial Instruments

The Company's objective is to issue financial instruments in order to raise finance on behalf of its immediate parent undertaking. Therefore, the Company is financed through debt finance and interest receivable. The Company's debt finance at 31 December 2017 comprised the Bond which is repayable on 2 June 2026. The bond issue incurred £2.1m of costs associated with raising finance. The Company's policies and objectives for financial risk management are discussed in note 2 and in the Risk Management and Principal Risks and Uncertainties section of the Strategic Report on pages 3 - 4.

#### Credit risk

The maximum credit risk exposure relating to financial assets is represented by the carrying value as at the balance sheet date. The maximum exposure to credit risk at the reporting date was:

	Note	2017 £'000	2016 £'000
Loans and receivables	6	413,340	413,211
Cash and cash equivalents	7	50	50
		413,390	413,261

The table below summarises the maturity profile of the Bond based on contractual undiscounted payments:

31 December 2017	On demand £'000	Less than 3 months £'000	3 to 12 months £'000	1 to 5 years £'000	Over 5 years £'000	Total £'000
Financial Liabilities						
£400m bond (including interest payable)	-	-	25,500	102,000	502,000	629,500
_						
31 December 2016	On	Less than	3 to 12	1 to 5	Over 5	
	demand	3 months	months	years	years	Total
	£'000	£'000	£'000	£'000	£'000	£'000
Financial Liabilities						
£400m bond (including interest payable)	-	-	25,500	102,000	527,500	655,000

#### Fair values of financial assets and financial liabilities

The Bond, which is listed on the London Stock Exchange's regulated market, had a fair value at 31 December 2017 of £545.3m (2016 - £553.6m) based on current market prices. The Company's £400m back-to-back loan had a fair value at 31 December 2017 of £545.3m (2016 - £553.6m) based on the fair value of the £400m bond.

The Company uses the hierarchy as set out in IFRS 13 Fair Value Measurement. All assets and liabilities for which fair value is disclosed are categorised within the fair value hierarchy described as follows:

Level 1: quoted (unadjusted) market prices in active markets for identical assets or liabilities;

Level 2: valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable; and

Level 3: valuation techniques for which the lowest level input that is significant to the fair value measurement is not observable.

The fair value of bonds as at 31 December 2017 and 31 December 2016 is considered by the Company to fall within the level 1 fair value hierarchy as defined in IFRS 13. There have been no transfers between levels in the hierarchy during the year.

The directors consider that the carrying amount of other financial assets and liabilities equates to fair value.

10. Share Capital		
Allotted and fully paid	2017 £'000	2016 £'000
50,000 Ordinary shares of £1 each fully paid up	50	50

## 11. Related Party Disclosures

The immediate parent undertaking of the Company and the parent of the smallest group of which the Company is a member and for which group accounts are prepared is Northern Ireland Electricity Networks Limited. A copy of the immediate parent's accounts is available from its registered office at 120 Malone Road, Belfast, BT9 5HT. The ultimate parent undertaking in the UK is ESBNI Limited. The ultimate parent undertaking and controlling party of the Company and the parent of the largest group of which the Company is a member and for which group accounts are prepared is Electricity Supply Board (ESB), a statutory corporation established under the Electricity (Supply) Act 1927 domiciled in the Republic of Ireland. A copy of ESB's accounts is available from ESB's registered office at Two Gateway, East Wall Road, Dublin 3, DO3 A995.

A full list of the subsidiary undertakings of ESB is included in its accounts.
